

A Little About Us

Southern Motorsports Promotions, LLC was founded in May 2005, by Joe Wamble and David Holbrook.

On January 13th and 14th, 2006 Southern Motorsports' inaugural event, **The Southern Invitational Indoor Tractor and Truck Pull**, came to life in Murfreesboro's own Tennessee Miller Coliseum. With competitors representing 12 states, vendors representing 8 states, and great spectator support, this first-ever event was a huge success.

The Management and Staff at TMC are welcoming the Southern Invitational back for a fourth time to their beautiful state-of-the-art facility. The Coliseum's amenities include seating for up to 6,500 spectators, a 150' x 300' arena floor, adjoining enclosed pit and staging areas, as well as a full-service restaurant.

SMP is looking for a few good sponsors who would like to partner with us in promoting this annual two-day event! It's a great opportunity to potentially reach 10,000 to 15,000 people in a two-day period for exposure to your products and services. So, come join us, as competitors from all across the country battle it out to see who can go a little farther..... a little faster!
